

1 AN ACT concerning children.

2 Be it enacted by the People of the State of Illinois,  
3 represented in the General Assembly:

4 Section 5. The Children and Family Services Act is  
5 amended by changing Section 5 as follows:

6 (20 ILCS 505/5) (from Ch. 23, par. 5005)

7 Sec. 5. Direct child welfare services; Department of  
8 Children and Family Services. To provide direct child  
9 welfare services when not available through other public or  
10 private child care or program facilities.

11 (a) For purposes of this Section:

12 (1) "Children" means persons found within the State  
13 who are under the age of 18 years. The term also  
14 includes persons under age 19 who:

15 (A) were committed to the Department pursuant  
16 to the Juvenile Court Act or the Juvenile Court Act  
17 of 1987, as amended, prior to the age of 18 and who  
18 continue under the jurisdiction of the court; or

19 (B) were accepted for care, service and  
20 training by the Department prior to the age of 18  
21 and whose best interest in the discretion of the  
22 Department would be served by continuing that care,  
23 service and training because of severe emotional  
24 disturbances, physical disability, social adjustment  
25 or any combination thereof, or because of the need  
26 to complete an educational or vocational training  
27 program.

28 (2) "Homeless youth" means persons found within the  
29 State who are under the age of 19, are not in a safe and  
30 stable living situation and cannot be reunited with their  
31 families.

1           (3) "Child welfare services" means public social  
2 services which are directed toward the accomplishment of  
3 the following purposes:

4           (A) protecting and promoting the health,  
5 safety and welfare of children, including homeless,  
6 dependent or neglected children;

7           (B) remedying, or assisting in the solution of  
8 problems which may result in, the neglect, abuse,  
9 exploitation or delinquency of children;

10           (C) preventing the unnecessary separation of  
11 children from their families by identifying family  
12 problems, assisting families in resolving their  
13 problems, and preventing the breakup of the family  
14 where the prevention of child removal is desirable  
15 and possible when the child can be cared for at home  
16 without endangering the child's health and safety;

17           (D) restoring to their families children who  
18 have been removed, by the provision of services to  
19 the child and the families when the child can be  
20 cared for at home without endangering the child's  
21 health and safety;

22           (E) placing children in suitable adoptive  
23 homes, in cases where restoration to the biological  
24 family is not safe, possible or appropriate;

25           (F) assuring safe and adequate care of  
26 children away from their homes, in cases where the  
27 child cannot be returned home or cannot be placed  
28 for adoption. At the time of placement, the  
29 Department shall consider concurrent planning, as  
30 described in subsection (1-1) of this Section so  
31 that permanency may occur at the earliest  
32 opportunity. Consideration should be given so that  
33 if reunification fails or is delayed, the placement  
34 made is the best available placement to provide

1 permanency for the child;

2 (G) (blank);

3 (H) (blank); and

4 (I) placing and maintaining children in  
5 facilities that provide separate living quarters for  
6 children under the age of 18 and for children 18  
7 years of age and older, unless a child 18 years of  
8 age is in the last year of high school education or  
9 vocational training, in an approved individual or  
10 group treatment program, in a licensed shelter  
11 facility, or secure child care facility. The  
12 Department is not required to place or maintain  
13 children:

14 (i) who are in a foster home, or

15 (ii) who are persons with a developmental  
16 disability, as defined in the Mental Health and  
17 Developmental Disabilities Code, or

18 (iii) who are female children who are  
19 pregnant, pregnant and parenting or parenting,  
20 or

21 (iv) who are siblings,

22 in facilities that provide separate living quarters  
23 for children 18 years of age and older and for  
24 children under 18 years of age.

25 (b) Nothing in this Section shall be construed to  
26 authorize the expenditure of public funds for the purpose of  
27 performing abortions.

28 (c) The Department shall establish and maintain  
29 tax-supported child welfare services and extend and seek to  
30 improve voluntary services throughout the State, to the end  
31 that services and care shall be available on an equal basis  
32 throughout the State to children requiring such services.

33 (d) The Director may authorize advance disbursements for  
34 any new program initiative to any agency contracting with the

1 Department. As a prerequisite for an advance disbursement,  
 2 the contractor must post a surety bond in the amount of the  
 3 advance disbursement and have a purchase of service contract  
 4 approved by the Department. The Department may pay up to 2  
 5 months operational expenses in advance. The amount of the  
 6 advance disbursement shall be prorated over the life of the  
 7 contract or the remaining months of the fiscal year,  
 8 whichever is less, and the installment amount shall then be  
 9 deducted from future bills. Advance disbursement  
 10 authorizations for new initiatives shall not be made to any  
 11 agency after that agency has operated during 2 consecutive  
 12 fiscal years. The requirements of this Section concerning  
 13 advance disbursements shall not apply with respect to the  
 14 following: payments to local public agencies for child day  
 15 care services as authorized by Section 5a of this Act; and  
 16 youth service programs receiving grant funds under Section  
 17 17a-4.

18 (e) (Blank).

19 (f) (Blank).

20 (g) The Department shall establish rules and regulations  
 21 concerning its operation of programs designed to meet the  
 22 goals of child safety and protection, family preservation,  
 23 family reunification, and adoption, including but not limited  
 24 to:

25 (1) adoption;

26 (2) foster care;

27 (3) family counseling;

28 (4) protective services;

29 (5) (blank);

30 (6) homemaker service;

31 (7) return of runaway children;

32 (8) (blank);

33 (9) placement under Section 5-7 of the Juvenile  
 34 Court Act or Section 2-27, 3-28, 4-25 or 5-740 of the

1 Juvenile Court Act of 1987 in accordance with the federal  
2 Adoption Assistance and Child Welfare Act of 1980; and  
3 (10) interstate services.

4 Rules and regulations established by the Department shall  
5 include provisions for training Department staff and the  
6 staff of Department grantees, through contracts with other  
7 agencies or resources, in alcohol and drug abuse screening  
8 techniques approved by the Department of Human Services, as a  
9 successor to the Department of Alcoholism and Substance  
10 Abuse, for the purpose of identifying children and adults who  
11 should be referred to an alcohol and drug abuse treatment  
12 program for professional evaluation.

13 (h) If the Department finds that there is no appropriate  
14 program or facility within or available to the Department for  
15 a ward and that no licensed private facility has an adequate  
16 and appropriate program or none agrees to accept the ward,  
17 the Department shall create an appropriate individualized,  
18 program-oriented plan for such ward. The plan may be  
19 developed within the Department or through purchase of  
20 services by the Department to the extent that it is within  
21 its statutory authority to do.

22 (i) Service programs shall be available throughout the  
23 State and shall include but not be limited to the following  
24 services:

- 25 (1) case management;
- 26 (2) homemakers;
- 27 (3) counseling;
- 28 (4) parent education;
- 29 (5) day care; and
- 30 (6) emergency assistance and advocacy.

31 In addition, the following services may be made available  
32 to assess and meet the needs of children and families:

- 33 (1) comprehensive family-based services;
- 34 (2) assessments;

- 1           (3) respite care; and
- 2           (4) in-home health services.

3           The Department shall provide transportation for any of  
4 the services it makes available to children or families or  
5 for which it refers children or families.

6           (j) The Department may provide categories of financial  
7 assistance and education assistance grants, and shall  
8 establish rules and regulations concerning the assistance and  
9 grants, to persons who adopt physically or mentally  
10 handicapped, older and other hard-to-place children who (i)  
11 immediately prior to their adoption were legal wards of the  
12 Department or (ii) were determined eligible for financial  
13 assistance with respect to a prior adoption and who become  
14 available for adoption because the prior adoption has been  
15 dissolved and the parental rights of the adoptive parents  
16 have been terminated or because the child's adoptive parents  
17 have died. The Department may also provide categories of  
18 financial assistance and education assistance grants, and  
19 shall establish rules and regulations for the assistance and  
20 grants, to persons appointed guardian of the person under  
21 Section 5-7 of the Juvenile Court Act or Section 2-27, 3-28,  
22 4-25 or 5-740 of the Juvenile Court Act of 1987 for children  
23 who were wards of the Department for 12 months immediately  
24 prior to the appointment of the guardian.

25           The amount of assistance may vary, depending upon the  
26 needs of the child and the adoptive parents, as set forth in  
27 the annual assistance agreement. Special purpose grants are  
28 allowed where the child requires special service but such  
29 costs may not exceed the amounts which similar services would  
30 cost the Department if it were to provide or secure them as  
31 guardian of the child.

32           Any financial assistance provided under this subsection  
33 is inalienable by assignment, sale, execution, attachment,  
34 garnishment, or any other remedy for recovery or collection

1 of a judgment or debt.

2 (j-5) The Department shall not deny or delay the  
3 placement of a child for adoption if an approved family is  
4 available either outside of the Department region handling  
5 the case, or outside of the State of Illinois.

6 (k) The Department shall accept for care and training  
7 any child who has been adjudicated neglected or abused, or  
8 dependent committed to it pursuant to the Juvenile Court Act  
9 or the Juvenile Court Act of 1987.

10 (l) Before July 1, 2000, the Department may provide, and  
11 beginning July 1, 2000, the Department shall offer family  
12 preservation services, as defined in Section 8.2 of the  
13 Abused and Neglected Child Reporting Act, to help families,  
14 including adoptive and extended families. Family preservation  
15 services shall be offered (i) to prevent the placement of  
16 children in substitute care when the children can be cared  
17 for at home or in the custody of the person responsible for  
18 the children's welfare, (ii) to reunite children with their  
19 families, ~~or~~ (iii) to maintain a foster family, or (iv) to  
20 maintain an adoptive placement. Family preservation services  
21 shall only be offered when doing so will not endanger the  
22 children's health or safety. With respect to children who  
23 are in substitute care pursuant to the Juvenile Court Act of  
24 1987, family preservation services shall not be offered if a  
25 goal other than those of subdivisions (A), (B), or (B-1) of  
26 subsection (2) of Section 2-28 of that Act has been set.  
27 Nothing in this paragraph shall be construed to create a  
28 private right of action or claim on the part of any  
29 individual or child welfare agency.

30 The Department shall notify the child and his family of  
31 the Department's responsibility to offer and provide family  
32 preservation services as identified in the service plan. The  
33 child and his family shall be eligible for services as soon  
34 as the report is determined to be "indicated". The

1 Department may offer services to any child or family with  
2 respect to whom a report of suspected child abuse or neglect  
3 has been filed, prior to concluding its investigation under  
4 Section 7.12 of the Abused and Neglected Child Reporting Act.  
5 However, the child's or family's willingness to accept  
6 services shall not be considered in the investigation. The  
7 Department may also provide services to any child or family  
8 who is the subject of any report of suspected child abuse or  
9 neglect or may refer such child or family to services  
10 available from other agencies in the community, even if the  
11 report is determined to be unfounded, if the conditions in  
12 the child's or family's home are reasonably likely to subject  
13 the child or family to future reports of suspected child  
14 abuse or neglect. Acceptance of such services shall be  
15 voluntary.

16 The Department may, at its discretion except for those  
17 children also adjudicated neglected or dependent, accept for  
18 care and training any child who has been adjudicated  
19 addicted, as a truant minor in need of supervision or as a  
20 minor requiring authoritative intervention, under the  
21 Juvenile Court Act or the Juvenile Court Act of 1987, but no  
22 such child shall be committed to the Department by any court  
23 without the approval of the Department. A minor charged with  
24 a criminal offense under the Criminal Code of 1961 or  
25 adjudicated delinquent shall not be placed in the custody of  
26 or committed to the Department by any court, except a minor  
27 less than 13 years of age committed to the Department under  
28 Section 5-710 of the Juvenile Court Act of 1987.

29 (1-1) The legislature recognizes that the best interests  
30 of the child require that the child be placed in the most  
31 permanent living arrangement as soon as is practically  
32 possible. To achieve this goal, the legislature directs the  
33 Department of Children and Family Services to conduct  
34 concurrent planning so that permanency may occur at the

1 earliest opportunity. Permanent living arrangements may  
2 include prevention of placement of a child outside the home  
3 of the family when the child can be cared for at home without  
4 endangering the child's health or safety; reunification with  
5 the family, when safe and appropriate, if temporary placement  
6 is necessary; or movement of the child toward the most  
7 permanent living arrangement and permanent legal status. The  
8 Department shall offer and provide family preservation  
9 services requested by a foster family that may be necessary  
10 to maintain a safe and appropriate temporary placement of a  
11 child under this Section. The Department shall prescribe  
12 foster family preservation services and the criteria,  
13 standards, and procedures for the provision of these services  
14 that will provide the most stable living arrangement for that  
15 child and prevent, to the greatest extent possible, multiple  
16 temporary placements pending a permanent living arrangement  
17 and permanent legal status.

18 When determining reasonable efforts to be made with  
19 respect to a child, as described in this subsection, and in  
20 making such reasonable efforts, the child's health and safety  
21 shall be the paramount concern.

22 When a child is placed in foster care, the Department  
23 shall ensure and document that reasonable efforts were made  
24 to prevent or eliminate the need to remove the child from the  
25 child's home. The Department must make reasonable efforts to  
26 reunify the family when temporary placement of the child  
27 occurs unless otherwise required, pursuant to the Juvenile  
28 Court Act of 1987. At any time after the dispositional  
29 hearing where the Department believes that further  
30 reunification services would be ineffective, it may request a  
31 finding from the court that reasonable efforts are no longer  
32 appropriate. The Department is not required to provide  
33 further reunification services after such a finding.

34 A decision to place a child in substitute care shall be

1 made with considerations of the child's health, safety, and  
2 best interests. At the time of placement, consideration  
3 should also be given so that if reunification fails or is  
4 delayed, the placement made is the best available placement  
5 to provide permanency for the child.

6 The Department shall adopt rules addressing concurrent  
7 planning for reunification and permanency. The Department  
8 shall consider the following factors when determining  
9 appropriateness of concurrent planning:

- 10 (1) the likelihood of prompt reunification;
- 11 (2) the past history of the family;
- 12 (3) the barriers to reunification being addressed  
13 by the family;
- 14 (4) the level of cooperation of the family;
- 15 (5) the foster parents' willingness to work with  
16 the family to reunite;
- 17 (6) the willingness and ability of the foster  
18 family to provide an adoptive home or long-term  
19 placement;
- 20 (7) the age of the child;
- 21 (8) placement of siblings.

22 (m) The Department may assume temporary custody of any  
23 child if:

- 24 (1) it has received a written consent to such  
25 temporary custody signed by the parents of the child or  
26 by the parent having custody of the child if the parents  
27 are not living together or by the guardian or custodian  
28 of the child if the child is not in the custody of either  
29 parent, or
- 30 (2) the child is found in the State and neither a  
31 parent, guardian nor custodian of the child can be  
32 located.

33 If the child is found in his or her residence without a  
34 parent, guardian, custodian or responsible caretaker, the

1 Department may, instead of removing the child and assuming  
2 temporary custody, place an authorized representative of the  
3 Department in that residence until such time as a parent,  
4 guardian or custodian enters the home and expresses a  
5 willingness and apparent ability to ensure the child's health  
6 and safety and resume permanent charge of the child, or until  
7 a relative enters the home and is willing and able to ensure  
8 the child's health and safety and assume charge of the child  
9 until a parent, guardian or custodian enters the home and  
10 expresses such willingness and ability to ensure the child's  
11 safety and resume permanent charge. After a caretaker has  
12 remained in the home for a period not to exceed 12 hours, the  
13 Department must follow those procedures outlined in Section  
14 2-9, 3-11, 4-8, or 5-415 of the Juvenile Court Act of 1987.

15 The Department shall have the authority, responsibilities  
16 and duties that a legal custodian of the child would have  
17 pursuant to subsection (9) of Section 1-3 of the Juvenile  
18 Court Act of 1987. Whenever a child is taken into temporary  
19 custody pursuant to an investigation under the Abused and  
20 Neglected Child Reporting Act, or pursuant to a referral and  
21 acceptance under the Juvenile Court Act of 1987 of a minor in  
22 limited custody, the Department, during the period of  
23 temporary custody and before the child is brought before a  
24 judicial officer as required by Section 2-9, 3-11, 4-8, or  
25 5-415 of the Juvenile Court Act of 1987, shall have the  
26 authority, responsibilities and duties that a legal custodian  
27 of the child would have under subsection (9) of Section 1-3  
28 of the Juvenile Court Act of 1987.

29 The Department shall ensure that any child taken into  
30 custody is scheduled for an appointment for a medical  
31 examination.

32 A parent, guardian or custodian of a child in the  
33 temporary custody of the Department who would have custody of  
34 the child if he were not in the temporary custody of the

1 Department may deliver to the Department a signed request  
2 that the Department surrender the temporary custody of the  
3 child. The Department may retain temporary custody of the  
4 child for 10 days after the receipt of the request, during  
5 which period the Department may cause to be filed a petition  
6 pursuant to the Juvenile Court Act of 1987. If a petition is  
7 so filed, the Department shall retain temporary custody of  
8 the child until the court orders otherwise. If a petition is  
9 not filed within the 10 day period, the child shall be  
10 surrendered to the custody of the requesting parent, guardian  
11 or custodian not later than the expiration of the 10 day  
12 period, at which time the authority and duties of the  
13 Department with respect to the temporary custody of the child  
14 shall terminate.

15 (m-1) The Department may place children under 18 years  
16 of age in a secure child care facility licensed by the  
17 Department that cares for children who are in need of secure  
18 living arrangements for their health, safety, and well-being  
19 after a determination is made by the facility director and  
20 the Director or the Director's designate prior to admission  
21 to the facility subject to Section 2-27.1 of the Juvenile  
22 Court Act of 1987. This subsection (m-1) does not apply to a  
23 child who is subject to placement in a correctional facility  
24 operated pursuant to Section 3-15-2 of the Unified Code of  
25 Corrections, unless the child is a ward who was placed under  
26 the care of the Department before being subject to placement  
27 in a correctional facility and a court of competent  
28 jurisdiction has ordered placement of the child in a secure  
29 care facility.

30 (n) The Department may place children under 18 years of  
31 age in licensed child care facilities when in the opinion of  
32 the Department, appropriate services aimed at family  
33 preservation have been unsuccessful and cannot ensure the  
34 child's health and safety or are unavailable and such

1 placement would be for their best interest. Payment for  
2 board, clothing, care, training and supervision of any child  
3 placed in a licensed child care facility may be made by the  
4 Department, by the parents or guardians of the estates of  
5 those children, or by both the Department and the parents or  
6 guardians, except that no payments shall be made by the  
7 Department for any child placed in a licensed child care  
8 facility for board, clothing, care, training and supervision  
9 of such a child that exceed the average per capita cost of  
10 maintaining and of caring for a child in institutions for  
11 dependent or neglected children operated by the Department.  
12 However, such restriction on payments does not apply in cases  
13 where children require specialized care and treatment for  
14 problems of severe emotional disturbance, physical  
15 disability, social adjustment, or any combination thereof and  
16 suitable facilities for the placement of such children are  
17 not available at payment rates within the limitations set  
18 forth in this Section. All reimbursements for services  
19 delivered shall be absolutely inalienable by assignment,  
20 sale, attachment, garnishment or otherwise.

21 (o) The Department shall establish an administrative  
22 review and appeal process for children and families who  
23 request or receive child welfare services from the  
24 Department. Children who are wards of the Department and are  
25 placed by private child welfare agencies, and foster families  
26 with whom those children are placed, shall be afforded the  
27 same procedural and appeal rights as children and families in  
28 the case of placement by the Department, including the right  
29 to an initial review of a private agency decision by that  
30 agency. The Department shall insure that any private child  
31 welfare agency, which accepts wards of the Department for  
32 placement, affords those rights to children and foster  
33 families. The Department shall accept for administrative  
34 review and an appeal hearing a complaint made by (i) a child

1 or foster family concerning a decision following an initial  
2 review by a private child welfare agency or (ii) a  
3 prospective adoptive parent who alleges a violation of  
4 subsection (j-5) of this Section. An appeal of a decision  
5 concerning a change in the placement of a child shall be  
6 conducted in an expedited manner.

7 (p) There is hereby created the Department of Children  
8 and Family Services Emergency Assistance Fund from which the  
9 Department may provide special financial assistance to  
10 families which are in economic crisis when such assistance is  
11 not available through other public or private sources and the  
12 assistance is deemed necessary to prevent dissolution of the  
13 family unit or to reunite families which have been separated  
14 due to child abuse and neglect. The Department shall  
15 establish administrative rules specifying the criteria for  
16 determining eligibility for and the amount and nature of  
17 assistance to be provided. The Department may also enter  
18 into written agreements with private and public social  
19 service agencies to provide emergency financial services to  
20 families referred by the Department. Special financial  
21 assistance payments shall be available to a family no more  
22 than once during each fiscal year and the total payments to a  
23 family may not exceed \$500 during a fiscal year.

24 (q) The Department may receive and use, in their  
25 entirety, for the benefit of children any gift, donation or  
26 bequest of money or other property which is received on  
27 behalf of such children, or any financial benefits to which  
28 such children are or may become entitled while under the  
29 jurisdiction or care of the Department.

30 The Department shall set up and administer no-cost,  
31 interest-bearing accounts in appropriate financial  
32 institutions for children for whom the Department is legally  
33 responsible and who have been determined eligible for  
34 Veterans' Benefits, Social Security benefits, assistance

1 allotments from the armed forces, court ordered payments,  
2 parental voluntary payments, Supplemental Security Income,  
3 Railroad Retirement payments, Black Lung benefits, or other  
4 miscellaneous payments. Interest earned by each account  
5 shall be credited to the account, unless disbursed in  
6 accordance with this subsection.

7 In disbursing funds from children's accounts, the  
8 Department shall:

9 (1) Establish standards in accordance with State  
10 and federal laws for disbursing money from children's  
11 accounts. In all circumstances, the Department's  
12 "Guardianship Administrator" or his or her designee must  
13 approve disbursements from children's accounts. The  
14 Department shall be responsible for keeping complete  
15 records of all disbursements for each account for any  
16 purpose.

17 (2) Calculate on a monthly basis the amounts paid  
18 from State funds for the child's board and care, medical  
19 care not covered under Medicaid, and social services; and  
20 utilize funds from the child's account, as covered by  
21 regulation, to reimburse those costs. Monthly,  
22 disbursements from all children's accounts, up to 1/12 of

13 the child and of the child.

14 (s) The Department of Children and Family Services may  
15 establish and implement a program to reimburse Department and  
16 private child welfare agency foster parents licensed by the  
17 Department of Children and Family Services for damages  
18 sustained by the foster parents as a result of the malicious  
19 or negligent acts of foster children, as well as providing  
20 third party coverage for such foster parents with regard to  
21 actions of foster children to other individuals. Such  
22 coverage will be secondary to the foster parent liability  
23 insurance policy, if applicable. The program shall be funded  
24 through appropriations from the General Revenue Fund,  
25 specifically designated for such purposes.

26 (t) The Department shall perform home studies and  
27 investigations and shall exercise supervision over visitation  
28 as ordered by a court pursuant to the Illinois Marriage and

3 neither party is financially able to pay.

4 The Department shall provide written notification to the  
5 court of the specific arrangements for supervised visitation  
6 and projected monthly costs within 60 days of the court  
7 order. The Department shall send to the court information

12 foster home, group home, child care institution, or in a  
13 relative home, the Department shall provide to the caretaker:

14 (1) available detailed information concerning the  
15 child's educational and health history, copies of  
16 immunization records (including insurance and medical

22 service plan, including any visitation arrangement, and  
23 all amendments or revisions to it as related to the  
24 child; and

30 criminal background, fire setting, perpetuation of sexual  
31 abuse, destructive behavior, and substance abuse) necessary  
32 to care for and safeguard the child.

33 (u-5) Effective July 1, 1995, only foster care  
34 placements licensed as foster family homes pursuant to the

1 Child Care Act of 1969 shall be eligible to receive foster

6 application for licensure as a foster family home may  
7 continue to receive foster care payments only until the

9 family home or that their application for licensure is denied  
10 or until September 30, 1995, whichever occurs first.

11 (v) The Department shall access criminal history record  
12 information as defined in the Illinois Uniform Conviction  
13 Information Act and information maintained in the  
14 adjudicatory and dispositional record system as defined in  
15 Section 2605-355 of the Department of State Police Law (20  
16 ILCS 2605/2605-355) if the Department determines the  
17 information is necessary to perform its duties under the  
18 Abused and Neglected Child Reporting Act, the Child Care Act  
19 of 1969, and the Children and Family Services Act. The  
20 Department shall provide for interactive computerized

22 on-line communication with the Department of State Police's  
23 central criminal history data repository. The Department  
24 shall comply with all certification requirements and provide  
25 certified operators who have been trained by personnel from  
26 the Department of State Police. In addition, one Office of  
27 the Inspector General investigator shall have training in the  
28 use of the criminal history information access system and

32 relating to the access and dissemination of this information.

2 plan for the development of in-state licensed secure child  
3 care facilities that care for children who are in need of  
4 secure living arrangements for their health, safety, and  
5 well-being. For purposes of this subsection, secure care  
6 facility shall mean a facility that is designed and operated  
7 to ensure that all entrances and exits from the facility, a

9 exclusive control of the staff of the facility, whether or  
10 not the child has the freedom of movement within the

12 building. The plan shall include descriptions of the types  
13 of facilities that are needed in Illinois; the cost of  
14 developing these secure care facilities; the estimated number
